

FINAL EXAMINATION: A VADEMECUM FOR ANIMAL CARE STUDENTS

- **Application period: from April 20th to May 19th 2026**
- **GRADUATION DAY: July 16th, 2026**

STEP 1: Insert the **thesis title on Uniweb** and wait for your supervisor to approve it (students are allowed to graduate only after the official approval is granted)

STEP 2: Once the thesis title is approved, you must **complete the application procedure on Uniweb**. A €16 pre-printed payment form (MAV) will be then issued on Uniweb. Pay the fee as soon as possible.

→ Please read carefully the GUIDE FOR THESIS APPLICATION available at <https://www.agrariamedicinaveterinaria.unipd.it/en/current-students/graduation>

IF YOU NEED TO MODIFY THE THESIS TITLE, refer to your supervisor: they can update the title from their personal area in Uniweb

- Deadline for **registration of all credits (including the traineeship credits)** on Uniweb: **June 29th**
- Deadline to **upload the thesis both on Moodle** (<https://samv.elearning.unipd.it/course/index.php?categoryid=767>) **and Uniweb: July 9th**

The Supervisor need to approve the thesis on Uniweb by July 9th (11.59 pm Europe/Rome time)

- Schedules and locations will be published by July 10th at this link <https://www.agrariamedicinaveterinaria.unipd.it/commissioni-di-laurea-ed-elenco-laureandi>

Please note that time and place may vary with respect to the set calendar depending on the number of participants and the availability of the commissioners.
