## TIPS...

# Ask your professors!

## 1. How to get in contact with a Professor

- http://www.didattica.unipd.it/
- Write the Professor's surname in the website search engine
- Click on the Professor's name which appears next to the course title
- ➤ Visit the Professor's page where you will find all the contact information and their office hours.

#### 2. How to write/talk to a Professor

- ➤ The relation between teachers and students is pretty formal in Italy
- ➤ Please remember to use the courtesy form (LEI) if you are speaking or writing in Italian

e.g. "Buongiorno professoressa Bianchi, sono uno studente ...., posso chiederle un'informazione?"

## Ask US! Tutor AMV

## **Tutor Junior**

#### Junior tutors deal with:

- √ Study advisory
- ✓ Information and supports to students regarding the compilation of the study plan
- ✓ Help and support if you are in trouble
- √ Study groups

## Study groups

## Study groups in English:

**Mathematics** 

Chemistry

Physics

**Statistics** 

Study groups start with a minimum of 5 participants

To register send an email to: tutor.agrariamedicinaveterinaria@unipd.it, indicating: Name, Surname, university registration number, degree course, telephone number, email, study group you want to join

#### **Tutor's junior office:**
