

The International Forestry Workcamp 2015 in Poland!

17-31. July 2015

In this year Union of European Foresters has decided to organize annual International Forestry Workcamp in Poland.

In cooperation with Polish State Forests National Holding and Polish Association of Foresters and Wood Technologists (SITLiD), we have an offer for students of forestry faculties, to meet in Antonin Forest District (Rychtalskie Forest Promotional Complex), middle-west Poland.

Participants can take part in practical forestry work in the biggest EU forest national holding, exchange information and experiences, get to know each other and strengthen international cooperation.

You can help us in the Summer inventory of red deer's, night counting of butterflies, simple work in forest protection, etc.

Alongside work in the forestry districts, where participants can receive experience in forestry practice, in the programme there are also field trips with various themes. These trips will help participants to get to know the people and the culture of the region.

In two neighbouring, renovated old buildings with nice rooms including bathrooms and kitchens we have accommodation for 15 people. Area is located in the park, close to the wood-hunting palace that comes from XIXth century. There is also an office of Antonin Forest District nearby.

We provide you with 3 meals. Service is nice and professional.

Close to this place you can find lake area, thousands hectares of forests, Natura 2000 bird area, nature reserves, etc.

Participants have at one's disposal bicycles, bonfire place.

For the duration of the work camp each participant will receive a total 190 Euro pocket money.

UEF supports at least two participants by a travel expenses subsidy, which can be requested through the national UEF member organizations.

Students must speak English.

Transportation will be given from Wrocław International Airport or from Ostrów Wielkopolski railway station.
